

To TWIF,

The Dutch association NTB is willing to organize the WIC 2022 next February. In 1975, the Netherlands organized their first WIC in the Netherlands, the city was named Doetinchem.

At the moment we have an option for a sport complex in Doetinchem. <http://www.sazadoetinchem.nl/> for the period of 2 till 6 March 2022. This is a big sport complex with a lot of facilities.

Doetinchem is situated at the east of the Netherlands, 138 km from Amsterdam Airport, and 60 km from Dusseldorp Weeze Airport. Doetinchem has its own train station, so it is also reachable by train from Schiphol.

There is a holiday park at 5.4 km distance: <https://www.landal.nl/parken/stroombroek>
There is also a hotel at 2.2 km distance: <https://www.hotelvillaruumzicht.nl/>, but the holiday park is big enough to accommodate everybody.

Hereby we send you the indicative prices which we can offer for the WIC 2022.

- 5 days package at Landal holiday parc - € 650,00
- 6 days package at Landal holiday parc - € 700,00

Including bus transfer from Landal holiday parc to the venue.
Including breakfast & diner
Including accreditation

Final prices will be made after we have made the official bookings at the location.

Good to know is that Aukje van Raaij and her team is available to organize this tournament. This means we have a different group of people who will organize the WIC2022 and the WOC2022.

We kindly ask you, not to wait to make the decision till the end of May. We have some options for reservations and they do not stand that long. Also for the organizations it is important to start ASAP with the organization and to give the countries ASAP necessary information.

Yours sincerely,

Simon Koetsier on behalf of the NTB.
